

One Packaged Policy for Small Businesses

General Liability Insurance:

covers acts you commit, or things that happen at your business location. Rest easy knowing medical expenses as well as any resulting lawsuits are covered should accidents happen, such as a customer slipping and falling in your business.

Property Coverage:

covers loss or damage to your physical space, equipment, inventory, machinery and furniture and supplies. The coverage also goes as far as to cover losses due to theft.

Business Interruption Insurance:

provides protection against and compensates you for incidents that can shut down your business. Major disasters like fires, hailstorms, windstorms, and vandalism can shut down your business for days, weeks or even months.
